

Community Paramedic Operations Group Meeting  
May 16, 2017 2-3pm Phone Conference

Attending: Pete Tanghe (chair), Kelly Wanzek, Luke Meyers, Will Wilson, Mike Wilcox, Cory Larson, Dave Demcho, Jen Murphree and Debbie Gillquist.

No additions to agenda.

Motion to approve January minutes by Mike Wilcox, second by Cory Larson. Minutes approved.

Sub-committees have met with a goal to create common wisdom around safety within CP and start advancing reimbursement conversations.

Luke commented that we don't get the size of the organization from the survey. Please take time to go through the survey and send Pete and Debbie comments by the end of the week. Finalize by the end of next week. When should it be sent to a larger group? First week of Jun, done by July.

Will work on getting the reimbursement survey out in a similar time line.

Safety sub-committee: Will be meeting mid-June.

Reimbursement sub-committee: No update. Will be meeting mid-June.

Proposed next CP Operations group meeting August and at Medical Director's in September.

Will – add him to reimbursement meeting. they have a unit that does work force analysis and collect survey data when people renew their licenses. They are building one for CPs. When someone receives a new certification, they will be sent a link to this survey. They collect the data and produce details. He will send a link. Survey is almost ready – are there volunteers from this group to view the survey before it goes live? Jennifer agreed. Send to Pete Carlson. Cory agreed. Mike agreed. Dave agreed.
